

House Resolution No. 2637

Whereas, the members of the Missouri House of Representatives occasionally pause to applaud the career achievements of those individuals who have retired from the field of education; and

Whereas, the Gasconade County R-I School District lost a valuable member of its faculty in March 2007 with the retirement of Cora Sue Schlanker who devoted several years of her life to the education of this state's young citizens through tireless endeavors as an educator; and

Whereas, Cora Schlanker taught for twelve years at Gasconade County R-I, where she was held in high esteem as an educator who demonstrated considerable competence and remarkable degrees of compassion and understanding; and

Whereas, deeply committed to the great cause of learning, Cora Schlanker taught in the Montgomery County R-II School District for three years prior to assuming her responsibilities at Gasconade County R-I; and

Whereas, Cora Schlanker watched her pupils grow, develop, and mature through the knowledge she imparted to them both as a teacher and as a friend; and

Whereas, Cora Schlanker has also enjoyed recognition by serving as a Sunday school teacher, as a teacher and Chairman of Vacation Bible School, and as a judge and coach of Odyssey of the Mind; and

Whereas, Cora Schlanker has been blessed with the love and support of a wonderful family whose members include her husband, Bob Schlanker; and two daughters, Kathy and Becky:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join the Gasconade County R-I School District in expressing appreciation for the unparalleled service that Cora Schlanker rendered to Missouri's children and in wishing her the long, fruitful, and enjoyable retirement that she so justly deserves; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Cora Sue Schlanker, as a measure of our esteem for her.
